

## CURRICULUM VITAE

Architecture architecture is a multi-award winning Melbourne-based practice, recognised for its commitment to contemporary architecture. As leaders in next-generation design, the practice strives to foster an awareness of the built environment and its social effects. Whether we're designing a school, a city square or a home, our philosophy is underpinned by a firm belief in the potential of architecture to foster positive social environments. The following CV combines achievements by the practice and its directors.
